Telehealth... From Illness To Wellness

Dear Colleagues,

Greetings!

The 9th Annual International Telemedicine Conference, **TELEMEDICON 2019** is an initiative of the Telemedicine Society of India (TSI). The conference is scheduled to be held from 15th -17th Nov 2019 at the Indian Spinal Injuries Centre, Vasant Kunj, New Delhi.

This conference strives to increase the awareness and practice of e-health in India by bringing together m-health experts, healthcare professionals and technology experts as well as infrastructure providers from around the world. It is a veritable platform for ensuring that e- health is utilised as a tool to reach out to the masses, specially the under-served and difficult to reach areas.

TELEMEDICON 2019 is an opportunity for exploring the immense potential of e-health as it brings national and international experts and service providers together in this forum. This three day conference is expected to attract over 1500 participants from a wide spectrum of healthcare practitioners and e-health experts from India and abroad.

It is a great opportunity for your organisation to use this platform to demonstrate your products and interact with over 1500 leading participant delegates of the country and abroad. The organising committee has outlined a number of ways in your firm can participate in this annual prestigious conference.

With warm regards and best wishes,

Yours sincerely,

Colonel (Dr) Ashvini Goel, Organising Secretary
